

# Baby Taboo

## INSTRUCTIONS:

Print playing cards on cardstock paper and cut out the cards before playing game. Divide group into teams of 2-4 players. Each team will take turns with one member in front of the group. The person must get his/her team members to guess the baby word at the top of the playing cards. He/she is not allowed to say any of the words listed on the card.

The team has 60 seconds to guess the word. If they get it right, they get one point and move on to the next card. They continue playing with the cards until the time is up. If the leader mentions any of the words on the cards, the team will get a penalty point. The leader also is not allowed to make any actions, drawings, or sounds. It must be spoken to count.

Once the 60 seconds is up, it is the next team's turn to play. You can set a time limit for the game or a point limit, depending on how many players or the amount time you have.
